

Inspire Atlanta

THE ATLANTA WOMEN'S FOUNDATION

Personal. Professional. Philanthropic.

Success isn't just about what you accomplish in your life; it's about what you inspire others to do.

Inspire Atlanta is an exclusive community impact program and fundraising campaign that supports The Atlanta Women's Foundation. Each year, the Atlanta community nominates prominent women leaders to the program, and AWF invites them to apply. Previous Inspire participants then select the top candidates to be a part of Inspire Atlanta in the coming year.

Through Inspire Atlanta, women will:

- Develop their talents to garner support that affects real change in the community.
- Learn about critical issues facing women and girls in the area.
- Explore their core values and chart their unique leadership path.
- Build a network of fellow female leaders and doers.
- Champion a fundraising campaign in support of The Atlanta Women's Foundation.

Ideal Applicants

You probably know many outstanding women in the Atlanta area. Inspire Atlanta candidates are those who have:

- Passion for elevating women and girls, especially those affected by poverty.
- Desire to develop personally and use their talents to affect local change.
- Positions of leadership or are on leadership tracks within their workplaces.
- Previous volunteer work with nonprofits (fundraising experience a plus).
- Willingness to commit time and energy to complete the program.
- Support from their employers.

Program Commitment

Those chosen for Inspire Atlanta will attend a series of 9 sessions over the course of 5 months, January to May. In that time, they'll develop a broader understanding of the issues Atlanta's women and girls face and garner support for these issues through a fundraising campaign. Please check the [Inspire Atlanta webpage](#) for dates, times, and session topics.
